In a Bisque Par, the player chooses which holes he/she would like to take their handicap shots on, rather than using the index. E.g. a play off 12 Handicap would choose which 12 holes they will take 1 one shot on. The player must nominate if they are going to use a shot before they hit off on that hole.

During the summer months Wednesday is 7.30 assembly for 8am tee-off. However, on days of extreme hot weather early starts from 7 am are encouraged.

CLUB KNOCK-OUT

Players (32) to be drawn to play each other in (16 matches) in the first round. The 1st, 2nd and 3rd rounds can be 9 or 18 hole contests, agreed upon before play starts. Players must play in the same group but can use social or club events which involve Stableford, Stroke or Par to determine a winner. Count backs will decide the result. Semi-finals and the final must be 18 hole events. If matches are not played or notified by the due date then both players will be eliminated from the knockout.

PAIRS "22"

Two players playing Individual Stableford with their points on each hole earning a combined number determining their result. If either player earns 0 or 1 then that means the team can only receive a low outcome: ie. 01,02,03,04,05, 11,12,13,14,15. If both score 2 then they receive a Pair 22 result. If they score better than 22 they receive a high outcome: ie.32,33,42,43,44,52,53,54,55
